Declaration

I/ We hereby apply to use the Allergy Foundation Seal of Approval on the above mentioned commodity. The AFSA Seal of Approval confirms that the products have been scientifically tested to show that they are efficient at reducing or removing allergens from the environment or that they have significantly reduced allergen or chemical content. In order to receive the Seal of Approval, manufacturers have supplied verifiable results of independent testing or testing has carried out via AFSA by independent laboratories to standards created for the Seal of Approval by leading allergy specialists. Due to patient variation, however, use of these products cannot be guaranteed to reduce symptoms in allergic sufferers. Should approval be granted, I/We observe to undertake the requirements of the Allergy Foundation South Africa's Allergy Seal of Approval certification of 1 January 2017. Print Name Signature Designation Signed at _____ of this _____ day of _____ 24
